CHILDREN'S WORK

They include a KS1 colouring sheet and a KS2 word search as well as other crafts and teaching materials. This will be available under 'Resources for Families' on the home page of our website from this Friday.

A WHOLE CHURCH ACTIVITY

We would love everyone to be involved in making something to celebrate Easter; a cross, empty tomb, an Easter garden. For further details please follow the link: www.stmarysmaidenhead.org/families

SINGING TOGETHER

For our virtual service on Easter Day we would love to have many members of our congregations taking part in the singing of our final hymn 'Thine be the Glory'.

In order to do this, please record yourself singing to a pre-recorded organ accompaniment, Matthew O'Donovan will then mix all the recordings to produce a soundtrack. Details of how to do this are on the blog or follow the link
