I give permission for my child as named above to attend St Mary's children's groups as circled above, on Sundays/ weekdays.

I give permission for photographs of my child to be taken for:

☐ display on church premises
☐ display in St. Mary's Church Media

I agree to any emergency medical treatment to be given as considered necessary by the medical authorities if I cannot be contacted.

NB. The medical profession takes the view that a parent's consent to medical treatment cannot be delegated. Medical consent forms have no legal status and a doctor has the right to insist on parental consent before treating a child. We have found, however, that medical staff find this type of general consent helpful.
